

## REMARKS

Claims 1, 3, and 12-40 are pending in the application and have been allowed. Claim 22 has been amended to correct typographical errors. Applicant requests that the above amended be entered prior to the issue fee due date of July 14, 2008.

Also, Applicant requests that the previous amendment to the title be reflected on the issued patent. Namely, on Feb. 9, 2007, Applicant amended the title to "IMAGE CORRECTION METHOD, APPARATUS, ARTICLE AND IMAGE".

## COMMENTS REGARDING THE EXAMINER'S REASONS FOR ALLOWANCE

Although the applicant's attorney agrees with the Examiner's conclusion that all the claims are allowable, the applicant's attorney notes that the claims may be allowable for reasons other than those identified by the Examiner and does not concede that the Examiner's characterizations of the terms of the claims and the prior art are correct.

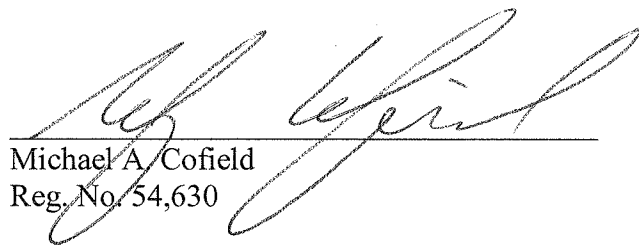

## CONCLUSION

For the foregoing reasons, reconsideration and allowance of all pending claims is requested. The Examiner is encouraged to telephone the undersigned at (503) 224-2170 if it appears that an interview would be helpful in advancing the case.
